

Store'ies

We currently have about 53% of our required pledged monthly support .

It's exciting to be at a place of waiting. God's timing is perfect. As soon as we're fully funded with pledged support, we can go!

Halfway Celebration

Praises and Prayer Requests

- Praise God for answered prayer in the areas of home school and Cathy's health!
- Pray for prayer partners and financial partners to get us to PNG.
- Pray for our Visa process that it will go quickly so that we are ready when the doors open.
- Praise the Lord for Grace Fabian and her testimony. Please pray for her as she returns home from her speaking tour.

We certainly enjoyed listening to Grace Fabian share her amazing testimony of tragedy and forgiveness at our celebration in March. For those of you who attended, it was a great time to celebrate being halfway toward our goal of financial partners. For those of you who missed it and wish you hadn't, we have good news! The evening was recorded and can be [viewed online at USTREAM](#). (Grace begins speaking at the 27:55 point in the video.) Please share this link with others.

Why aren't you gone yet?

Some of you have expressed your excitement to us that we get on our way. As excited as we are to go, we know that God's timing is perfect and we trust Him.

We had originally hoped to leave this January but we are so thankful that door closed for many reasons. The month of February has brought breakthroughs in home schooling. Thank you so much to everyone who has been praying for us. If we had not had this time to focus on the kids' education they would not be ready to leave. We have also recently experienced some breakthrough with Cathy's health. Praise the Lord he kept us here to work through these struggles instead of taking them with us to PNG.

God is so good and we trust Him. We'll get there when His time is right. God has called us to this place and He will provide the team to send us. If you haven't already, please ask the Lord if He wants you to be a part of our team through prayer and/or financial support.
