Praises and Prayer Requests

- Pray for Todd as he continues his course work.
- God has met all our financial needs while we have been here. Praise him for his provision!
- Praise God for a great church family to connect with down here!
- We leave to drive home on November 20. Please pray for safety on the road especially during the Thanksgiving holiday.

When do you leave the country?

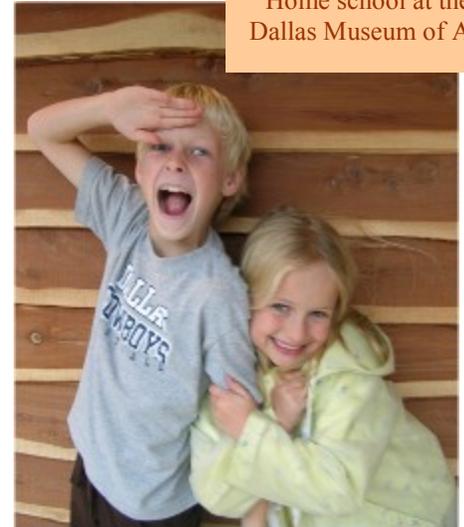

Many of you know that our original goal was to depart for Papua New Guinea (PNG) in time to attend the Pacific Orientation Course in January, 2011. We wanted to leave at this time because orientation is not offered again until August.

After much prayer and God's peace in leading us we decided not to leave in January. We need more time to continue raising support. This decision allowed us to focus on Todd's training rather than support raising during this time in Texas.

God has given us a third option. We contacted our supervisor in PNG and they gave us clearance to come as soon as our support is raised and attend the next available orientation.

So when do we leave? As soon as God opens the door by completing our support team! We know that the money won't come in until we have all the prayer partners God intends for us to have. If you'd like to be a prayer partner and receive our prayer updates, please let us know. We would love to add you to this crucial part of our team!

What's Todd Doing Down There?

Todd will complete six weeks of multi-cultural management training the first week of November. A lot of his training has been about discovering his own leadership style and strengths and understanding how those skills will apply to the multi-cultural workplace once we get to PNG. After the six week course is done, he will complete two weeks of language acquisition in which he will learn ways to acquire a new language and understand a new culture. Hopefully this will reduce the culture shock when we get there. We've been trying to learn a little Tok Pisin while we're here, too. That's the language Todd will be using to run the store when we get to PNG. Thank you for all your prayers for perseverance!

PNG News:

We had the privilege of meeting Ed and Catherine McGuckin. They completed a New Testament translation for the Gapapaiwa (pronounced gah-pah-PIE-wah) people. They are home on furlough but will be returning to PNG to continue working on a translation of the Old Testament and finish training the national translators so they can complete the rest of the Bible in the years to come!

Weekend fun: free tickets to an air show with the Blue Angels!

Prayer and Financial Partners:

To partner with us visit www.edifactory.com. You can also find us on Facebook under "Send the Lindleys to PNG."
