

# 'Store'ies

October 2011

## We are Ordering Prayer Magnets.

Yes . . . we want to be on your fridge. :) We should have magnets to give out by the end of November. Please let us know if you would like one.

## Plans to Leave in January!

We know many of you have been anxiously awaiting a newsletter that has an actual leave date. Unfortunately that is still yet to come, as we still need more monthly financial partners before we can be cleared to leave.

At this point we still need just under \$1000 a month in pledges to be fully funded. In faith, however, we have registered for the orientation that begins in January 2012. We believe that God can bring in the rest of our team between now and then. We are excited to see Him work. Please consider joining us as a prayer partner or a financial partner if you have not done so already. You can sign-up online at:

[www.edifactory.com](http://www.edifactory.com)

### Prayer Requests

- Pray that we would be fully funded in time to attend the January orientation.
- Pray for our visa applications to be completed.
- Pray for transition as we sort through belongings and begin saying "good-byes" to people and places.
- Pray for strength and perspective, that we may be aware of God's leading.

## Moving into Transition

God has provided a unique opportunity for us to transition to PNG. We recently moved into a furnished house. This has allowed us to sort, store, (and eventually ship) all of our belongings.

The move has been harder than we expected. Not just physically, but emotionally as well. Making this transition, sorting through all of our things, and boxing things we won't see for over two years really makes us realize that our leave time is approaching.

Praise the Lord with us for this unique opportunity and please keep us in your prayers as we deal with the stress of this transition. We do not know all that lies ahead.

At this time last year, we spent a short time in a furnished house in Texas while Todd went through training. When it was over, we looked forward to a fun road trip and coming home to family and friends. When our short time in this house is over, we will be taking a long unknown trip away from our family and friends. We will miss you all so much. This is the hard part now.

## Work Permits Approved!

Our work permits have been approved! Which means we may now apply for our visas. There are a lot of things that need to be completed before we can officially send our paperwork. Please pray for us as we complete this process. Please also pray that the processing of the visas will go quickly so that we can receive them in time to leave in January.

- Todd & Cathy
